

WARRANTY INFORMATION:

Schultz Machine Company guarantees all parts, workmanship, and materials for a period of 90 days. Parts must be returned with proof of purchase (invoice number), and it will be Schultz Machine Companies option to repair or replace the parts. The extent of the warranty covers the price of parts purchased from Schultz Machine Company only. Any alterations to the part in question will automatically void the warranty. Any unit disassembled automatically becomes void of warranty. If a unit was ordered incorrectly and returned it is subject to a restocking fee.

RETURN POLICY:

A return number must be issued in order for items to be accepted by our receiving department. Please write the return number on the outside of the box, and be sure items are properly packed for shipping. If damage occurs during transit due to poor packing, no credit will be given. No C.O.D. will be accepted on a returned shipment without prior authorization.

PLEASE NOTE:

- Prices are subject to change at any time without notice.
- Any numbers, names, symbols, and descriptions in this catalog are for reference purposes only and in no way indicate these parts are manufactured by the original equipment manufacturer.
- Some parts are imported.
- Any credit card payment will be subject to a 2% processing fee
